PCW

PCW is a multi-faceted fragrance business founded in 1986 and situated in Grasse, France. We make it our business to service an international clientele in the provision of design, fabrication and assembly of fine fragrance, beauty and home fragrance projects.

Our aim is to convey emotion through perfumery using high quality raw materials and an artisanal creative experience. Everything is created and assembled by hand on the premises, with the knowledge and savoir-faire that has been accumulated over many years.

A key facet of the business is the trade of high-quality natural materials and synthetics sourced from around the globe. PCW has over one thousand references on site, that can be dispatched within 48 hours. There is no minimum order quantity required and no minimum charge for raw materials. You can contact us for any enquiry, large or small.

We are proud to be a partner in the Grasse Expertise project that brings together professionals in the fragrance and flavor sector in the region, alongside a commitment to the development of perfume and plant production in the area.
