Manufacture PCW

Reference : TOSCANOL

**TECHNICAL DATA**

|                                                  |                                                                                                                                            |
|--------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <i>I.N.C.I. :</i>                                | -                                                                                                                                          |
| <i>IUPAC Name :</i>                              | 1-cyclopropylmethyl-4-methoxybenzene                                                                                                       |
| <i>Chemical / REACH name :</i>                   | 1-(cyclopropylmethyl)-4-methoxybenzene                                                                                                     |
| <i>Molecular formula :</i>                       | C11 H14 O                                                                                                                                  |
| <i>Origin raw material :</i>                     | Synthetic                                                                                                                                  |
| <i>Use of the substance / mixture :</i>          | Industrial use only                                                                                                                        |
| <i>End use :</i>                                 | Fragrances / Cosmetic                                                                                                                      |
| <i>CAS number :</i>                              | 16510-27-3                                                                                                                                 |
| <i>Ionization :</i>                              | Not submitted to a processing of ionization                                                                                                |
| <i>GMO (Reg (EC) 1829/2003 &amp; 1830/2003 :</i> | Does not contain/consist of and/or is not derived from/produced with the help of genetically modified organisms or derivative ingredients. |
| <i>Ref code :</i>                                | TOS/1                                                                                                                                      |
| <i>Nanomaterials :</i>                           | Does not contain nanomaterials as defined in Regulation (EC) 1223/2009 and Recommendation 2011/696/UE                                      |

**ANALYTICAL DATA**

|                                       |                                   |
|---------------------------------------|-----------------------------------|
| <i>Appearance :</i>                   | Liquid                            |
| <i>Colour :</i>                       | Colourless                        |
| <i>Odour :</i>                        | Aniseed, green, sweet, herbaceous |
| <i>Density at 20°C :</i>              | [0.989 ; 0.993]                   |
| <i>Densité à 20/4°C :</i>             | [0.987 ; 0.991]                   |
| <i>Relative density @ 25°C :</i>      | [0.986 ; 0.990]                   |
| <i>Refractive index @ 20°C :</i>      | [1.522 ; 1.526]                   |
| <i>Refractive index at 25°C :</i>     | [1.520 ; 1.524]                   |
| <i>Flash point (°C) (close cup) :</i> | 113                               |
| <i>Purity (%) :</i>                   | [98.0 ; 100.0]                    |

| <i>ISO 16128 :</i>       | - |

# TOSCANOL

## **REGULAR DATA FLAVOURS**

*Bovine Spongiform Encephalopathy (BSE) :* Free of BSE/TSE risks as no materials of animal origin are used at any stage in the manufacturing process

## **TRANSPORT - HANDLING - STORAGE**

*Custom tariff :* 2909 30 90 90

*Shelf life :* 12 months, according to storage conditions

*Precautions of use :* Avoid any direct contact with the product.

*Storage :* Store at 25°C max. in tightly sealed original container. Avoid prolonged exposure to light, heat and air.
