| <i>IUPAC Name :</i>                              | 2,2,6-trimethyl-a-propylcyclohexanepropanol                                                                                                |
| <i>Chemical / REACH name :</i>                   | 2,2,6-trimethyl-a-propylcyclohexanepropanol                                                                                                |
| <i>Molecular formula :</i>                       | C15 H30 O                                                                                                                                  |
| <i>Origine géographique :</i>                    | -                                                                                                                                          |
| <i>Process :</i>                                 | -                                                                                                                                          |
| <i>Use of the substance / mixture :</i>          | Industrial use only                                                                                                                        |
| <i>End use :</i>                                 | Fragrances / Cosmetic                                                                                                                      |
| <i>CAS number :</i>                              | 70788-30-6                                                                                                                                 |
| <i>Ionization :</i>                              | Not submitted to a processing of ionization                                                                                                |
| <i>GMO (Reg (EC) 1829/2003 &amp; 1830/2003 :</i> | Does not contain/consist of and/or is not derived from/produced with the help of genetically modified organisms or derivative ingredients. |

**ANALYTICAL DATA**

|                                         |                 |
|-----------------------------------------|-----------------|
| <i>Appearance :</i>                     | Liquid          |
| <i>Colour :</i>                         | Colourless      |
| <i>Odour :</i>                          | Woody, powdery  |
| <i>Relative density @ 25°C :</i>        | [0.886 ; 0.916] |
| <i>Refractive index @ 20°C :</i>        | [1.469 ; 1.479] |
| <i>Flash point (°C) (close cup) :</i>   | >100            |
| <i>Somme of isomers (by G.C.) (%) :</i> | [90 ; 100]      |

**COSMETIC REGULAR DATA**

|                                                  |                                                       |
|--------------------------------------------------|-------------------------------------------------------|
| <i>Anti-oxydant(s) :</i>                         | None                                                  |
| <i>Statut kosher :</i>                           | In compliance with kosher requirements                |
| <i>Halal status :</i>                            | Complies with halal requirements                      |
| <i>ISO 16128 :</i>                               | 0% of natural origin                                  |
| <i>Deforestation regulation (2023/1115/CE) :</i> | Not concerned by the European Regulation 2023/1115/EC |

**REGULAR DATA FLAVOURS**

# NIMBEROL

*Bovine Spongiform Encephalopathy (BSE) :* Free of BSE/TSE risks as no materials of animal origin are used at any stage in the manufacturing process

*Vegan :* Does not contain ingredient from animal origin

## **TRANSPORT - HANDLING - STORAGE**

*Custom tariff :* 2906 19 00 90

*Shelf life :* 24 months, according to storage conditions

*Precautions of use :* Avoid any direct contact with the product.

*Storage :* Store at 25°C max. in tightly sealed original container. Avoid prolonged exposure to light, heat and air.
