Manufacture PCW

Reference : PEROU BAUME ESSENCE

**TECHNICAL DATA**

|                                                   |                                                               |
|---------------------------------------------------|---------------------------------------------------------------|
| <i>I.N.C.I. :</i>                                 | Myroxylon balsamum pereirae balsam extract                    |
| <i>Description :</i>                              | Flavouring preparation (comes from gum of Myroxylon pereirae) |
| <i>Use of the substance / mixture :</i>           | Industrial use only                                           |
| <i>End use :</i>                                  | Fragrances / Cosmetic / Flavours                              |
| <i>Origine géographique :</i>                     | France                                                        |
| <i>CAS number :</i>                               | 8007-00-9                                                     |
| <i>GMO (Reg (EC) 1829/2003 &amp; 1830/2003) :</i> | Does not result / does not contain GMO                        |
| <i>Ionization :</i>                               | Not submitted to a processing of ionization                   |

**ANALYTICAL DATA**

|                                       |                            |
|---------------------------------------|----------------------------|
| <i>Appearance :</i>                   | Liquid                     |
| <i>Colour :</i>                       | Colourless to clear yellow |
| <i>Odour :</i>                        | Characteristic             |
| <i>Density 20/20°C :</i>              | [1.020 ; 1.080]            |
| <i>Refractive index n (20/D) :</i>    | [1.520 ; 1.550]            |
| <i>Optical rotation (°) :</i>         | [+0.00 ; +5.00]            |
| <i>Flash point (°C) (close cup) :</i> | >100                       |

**COSMETIC REGULAR DATA**

|                           |                                                                                                                                                     |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| <i>CMR (76/768/EEC) :</i> | See certificate                                                                                                                                     |
| <i>ISO 9235 :</i>         | This product is a 100% natural essential oil obtained by physical processes only from a botanical source. Complies with the ISO 9235:2013 standard. |

**REGULAR DATA FLAVOURS**

|                                             |                        |
|---------------------------------------------|------------------------|
| <i>Food allergens (Reg. 1169/2011/EC) :</i> | None                   |
| <i>Natural status (Reg. 1334/2008/EC) :</i> | Flavouring preparation |

**TRANSPORT - HANDLING - STORAGE**

|                        |                                            |
|------------------------|--------------------------------------------|
| <i>Shelf life :</i>    | 12 months, according to storage conditions |
| <i>Custom tariff :</i> | 3301 29 41 00                              |
